

Course Number	Course Name	Credits
CHS 111	(S) Introduction to Human Adjustment	3
	Introduction to human adjustment throughout the lifespan. Focuses on discrimination of normal and abnormal behavioral and emotional responses to developmental life stages and to common developmental concerns.	
CHS 112	Human Service Systems	3
	Examines the human-services systems and institutions which have evolved as a response to human need. Explores both the effect of social problems on individuals and families and the service systems designed to alleviate such problems.	
CHS 241	(D) Case Management and Interviewing	3
	The role of the human-services professional as a case manager or coordinator of services is examined. Initial interviewing skills and techniques are discussed with an emphasis on case conceptualization, problem identification, goal selection, evaluation, and follow-up.	
CHS 242	Counseling Theories	3
	The role of the human-services professional as a case manager or coordinator of services is examined. Initial interviewing skills and techniques are discussed with an emphasis on case conceptualization, problem identification, goal selection, evaluation, and follow-up.	
CHS 293	(W) Research Methods in Counseling and Human Services	3
	An introduction to research methodology as applied to problems in human-services agencies and settings. Specific topics include descriptive, experimental, and quasi-experimental research methods. Emphasis is placed on development of the student's ability to be a critical consumer of research in human services.	
CHS 333	(D) Multiculturalism in Counseling and Human Services	3
	Focuses on current social and cultural issues in human services and related fields. Human development in a multicultural and diverse society will be examined and the basic objectives and dimensions of multicultural intervention will be defined. Student self-awareness of values, attitudes, and beliefs will be emphasized. Includes service-learning component.	

CHS 335	Administration in Human Services	3
<p>Focuses on the development of skills and knowledge related to program and organizational development, and community-wide planning in human services. Topics include organizational theory applied to human-services settings, consultation, supervision, planning, funding and training.</p>		
CHS 340	Career Seminar	1
<p>(CHS Majors only; Prerequisite for CHS 380) Designed to introduce the student in the Counseling and Human Services curriculum to counseling, human development and human-services occupations. Short- and long-term goals are examined in preparation for internship, employment or further study.</p>		
CHS 341	Group Dynamics	3
<p>A basic understanding of group dynamics and individual behavior in groups is presented. Methods of developing and organizing group programs are stressed. Students participate in a group experience.</p>		
CHS 380	Internship in Counseling and Human Services	3
<p>(Prerequisite: CHS 340) The internship is a significant clinical and educational experience. It provides both a supervised practical experience in the student's field and an opportunity to integrate knowledge and skills. Students will spend a minimum of 150 hours in the field placement. (Prerequisite for CHS 481)</p>		
CHS 441	Crisis Intervention	3
<p>Theory and practice of crisis intervention as applied to common crisis situations such as suicide, battering, violent behavior, post- traumatic stress disorder, substance abuse, sexual assault, and personal loss.</p>		
CHS 481	Advanced Internship in Counseling and Human Services	3
<p>(Prerequisite: CHS 380) This advanced internship in Counseling and Human Services involves 200 hours in a community agency or organization. This course is required.</p>
